### **What is Walking With Purpose?**

Walking with Purpose (WWP) is a Catholic women's Bible study that aims to bring women to a deeper personal relationship with Jesus Christ by offering personal study and small group discussion that link our everyday challenges and struggles with the solutions given to us through the teachings of Christ and the Roman Catholic Church.

## Courses Offered at Christ the King

*Opening Your Heart: The Starting Point* is our foundation Bible study, and we recommend all participants new to Walking with Purpose begin here, regardless of previous experience with Bible study. We encourage everyone to experience *Opening Your Heart* because we believe this Bible study is an incredibly effective guide to deep, lasting transformation of the heart. Join us as we take a deeper dive into the core questions that we need to wrestle with if we want to experience all that God has for us.

Some of the questions we'll explore:

- How can I conquer my fears?
- What is the role of the Holy Spirit in my life?
- What does the Eucharist have to do with my friendship with Christ?
- What are the limits of Christ's forgiveness?
- Why and how should I pray?
- What is the role of suffering in my life?
- What challenges will I face in my efforts to follow Jesus more closely?

Do you feel pulled in many directions? Do you find it hard to balance the demands placed on your time? Is it difficult to manage all the details thrown your way? According to Richard Swenson, M.D., we have "more and more of everything, faster and faster." Unfortunately, this can leave us feeling frazzled and out of control. God wants to support and help us so that we can be our best in every season of our lives. **Keeping in Balance** will take us on a journey throughout Scripture as we discover the relevance of Old and New Testament wisdom to our daily challenges. Join us as we explore biblical ways that we can manage life's pace and pressure while living with calm and steadiness. A lifestyle of health and holiness awaits.
