

Baptism Preparation Guidelines

Dear Parents,

Christ the King Parish is very happy to share both the anticipation of your new child and the actual birth and baptism. This is a special and grace-filled time in the life of your family and the parish family. Baptism is the entrance into a lifelong connection with a loving God, our spiritual journey. May that sacred relationship, our faith life, grow and develop all the days of our lives.

God’s blessings on your family,

Carol Pisani

Mark 10: 13-16

People were bringing children to him that he might touch them, but the disciples rebuked them. When Jesus saw this he became indignant and said to them, “Let the children come to me; do not prevent them, for the kingdom of God belongs to such as these”.

Lord, you call these chosen ones to the glory of new birth in Christ.

Protect all who are about to become your children, and continue to bless those who are already baptized.

We ask this through Christ our Lord. Amen.
